Committee Reports

Caring Campus: Jodi Eppinette

The Caring Campus Committee had their second visit with the consultant. The Tech team discussed how Caring Campus can impact our students and innovative ways to implement this tenants into the fabric of the college. A planning session is scheduled for Wednesday, March 1, 2023 to discuss training and presenting to the Faculty in small groups. The Caring Campus team has one additional meeting with the consultant March 8, 2023.

Communication Action Plan: Jenny Sanders

Mrs. Sanders and her team will have their first expanded team meeting March 7, 2023.

Rocket Launch: Jodi Eppinette

Mrs. Eppinette and her team will have their first team meeting November.

Non-Payment Committee Report: Dr. Rice

The Committees work is ongoing. We have identified over 40 students that have outstanding balances that we are working with through The Rocket Emergency Grant Committee.

Applications have been emailed to these students but they are coming in pretty slow. We will continue to follow up with these groups of students.

Rocket Launch Action Plan Report: Paulina Johnson

The committee met Monday, February 27, 2023 to continue to finalize Rocket Launch Plans for the Fall 2023 school term. Breakout sessions will be held Monday and Tuesday to cover a variety of topics that are beneficial for their success. It was mention that PR is currently working on a new campus map to help students and parents navigate through the campus.

Also there were talks about revising the signage on buildings. It was also mentioned that we need to include an evaluation piece within Rocket Launch.⁴

Student Success and Retention Plan

Dr. Rice is currently reviewing all retention data for First Time Fulltime Freshman students over the past 5 years. This data will be compiled and reviewed by the committee for information purposes. Due to the statistical issues dealing with this data we will use this information for observation purposes only.
