**Committee Reports**

**Communication Action Plan: Jenny Sanders**

Mrs. Sanders and her team is using the MCC Flow Charts to build out the communication model for the college. She also indicated that she reaching out to other departments to determine their communication needs. Mrs. Sanders is working on draft communication pieces to be incorporated in J1. Dr. Wilson requested to incorporate Rocket High into the Communication Plan.

**Rocket Launch: Jodi Eppinette**

Mrs. Eppinette and her team will meet Monday, February 20, 2023.

**Non-Payment Committee Report: Dr. Rice**

Reviewed Fall 2022 Non-Payment List. There were a total of 59 students on that list after initial withdrawals and drops. 44% of those students were First Generation and 66 % were returning students. The major reason students are this list is because of suspension of aid or failure to complete their FAFSA on time. The Committees work is ongoing and we will continue to update the Dream Team as we get more information.

Also there were talks about revising the signage on buildings. It was also mentioned that we need to include an evaluation piece within Rocket Launch.<sup>4</sup>

**Student Success and Retention Plan**

Dr. Rice the final First Time Fulltime Freshman list from IR. He is reviewing the data and will relay the results to the Dream Team and Retention Team.
