Update on Starfish: Dr. Wilson

Dr. Wilson reported that all documents have been signed and SAU Tech is moving forward with Starfish. An opening meeting is being scheduled with the reps at Starfish and SAU Tech. Dr. Wilson requested for a volunteer to serve as the end user that will serve as a conduit between the college and Starfish. Dr. Edward Rice II volunteered to serve as the end user (Point of Contact) for the implementation of Starfish. Dr. Wilson further discussed her excitement of the Starfish platform and how it is going to be beneficial for our students. However, it is vital to get the implementation phase of the platform correct to reap all of the benefits of Starfish. No Action needed

Text Message Service (Upswing): Kyra Jerry

Ms. Jerry indicated that she had scheduled a zoom session with the representatives of Upswing and all the members of the dream team. Members will receive an invitation to attend the session this week.

Circle In: Kyra Jerry:

Ms. Jerry stated that a stipend will be provided to the faculty member who has the highest number of students registered on Circle In. A reminder was sent out by Mrs. Eppinette to faculty that the deadline for getting students registered was March 18, 2021.
